SHOQATA SHQIPTARE E INXHINIERËVE KONSULENTË ALBANIAN ASSOCIATION OF CONSULTING ENGINEERS

1st ALBANIAN CONGRESS ON ROADS

With the significant evolution and development of the road sector in Albania, it was about time to gather all the sector's actors and discuss the important challenges ahead.

This initiative is being organized by the main Albanian engineering and construction associations:

- Albanian Association of Consulting Engineers
- Albanian Builders' Association
- Albanian Geo-Technicians Association
- Albania Association of Geodesy
