European Standard DIN/EN2

Egyptian Standard ES 734/2008

European Standard DIN EN 1866

TÜV approved pressure vessels

European Conformity

GS Complying with European Safety Regulations for Instruments & Equipment Users

Compliance Mark for Marine Use Regulations

Quality Management System ISO 9001:2008

Environmental Quality Management System ISO 14001

Occupational Health and Safety Management System
OHSAS 18001

Bavaria Laboratory Accredited
According to the ISO/IEC 17025/1999

Certified According to International Quality Management
System ISO/TS 16949 in the Scope of Fire Extinguishers

B. ACCREDITED LABORATORY

- Bavaria's ISO 17025 accredited laboratory

C. AUTOMATION & COMPETITIVENESS

- Bavaria's shift to automation provided a market edge
- The high-tech automated production facilitated the acquisition of Bavaria Germany in 1999 and made it possible to reallocate the R&D unit to Egypt.

- Bavaria-Egypt's production edge enabled Bavaria Germany to rank higher within the German market

- Automation proved useful in raising the ceiling of wages and salaries and in contributing to the wellbeing of workers

D. EXCELLENCE

- Bavaria has received the Award of Excellence for midsize industrial enterprises in 2003
- Currently nominated among 8 finalists for the social responsibility award organized by the ISO organization

IV. SHORT VIDEO

Last but not least, we'll be showing a one minute short video, giving a glimpse of what we go for everyday...
